VIVIO

2022 VIVIO SYRAH

BENNETT VALLEY, SONOMA COUNTY

TASTING NOTES An exciting new chapter for our Syrah program—the 2022 Vivio Syrah is a testament to a new terroir, interpreted through our meticulous and classic style. The result is a distinctly bold and soulful expression of Syrah. A deep garnet-purple in the glass, it explodes with aromas of wild blackberry, cracked black pepper, smoked meat, crushed violet, and a briny hint of olive tapenade. The full-bodied palate is powerfully savory, layering flavors of cured meat and Kalamata olive over a core of dense blackberry fruit. Robust tannins, energetic freshness, and a distinct graphite minerality lead to a long, persistent finish of pepper and savory herbs. Powerful and expressive, this wine promises to evolve beautifully for the next decade and more.

VINEYARD NOTES While we invest in the future of our own Destin Vineyard through the replanting of our Estate Syrah block, we are embracing the opportunity to explore a new terroir. For our 2022 and 2023 vintages, we have sourced from the exceptional Vivio Vineyard, which sits at over 800 feet in Sonoma's Bennett Valley. Its unique bowl-like geography traps cool morning fog that gives way to warm afternoon sun, promoting a long, slow ripening season. The vines are planted on southeasterly-sloping blocks of volcanic Goulding and Spreckels loam. This unique combination of climate and soil produces Syrah grapes with incredible aromatic complexity, flavor intensity, and a distinct mineral backbone, offering a fascinating new expression of the varietal while our estate vines mature.

Composition: **100% Syrah**

Vineyard: **Vivio Vineyard**

Appellation: **Bennett Valley, Sonoma County**

Aging: **22 Months in 100% François Frères French Oak; 65% New**

Case Production: **350**

Alcohol: **15.5%**

MSRP: **\$90**
